NISL/US CLUB NATIONAL ADULT LEAGUES

Following the successful world model of full integration at all ages, US Club Soccer's National Adult League expands adult soccer at every level of play. This allows Clubs to connect with both Youth and Adult Soccer seamlessly and develop "Members for Life."

The NISL/US Club Northern Illinois Conference is forming for the 2012 Summer Season in the U20 and U23 Divisions. Sanctioned by US Club Soccer, the league is open to all Clubs with the goal of supporting player development.

Since kicking off in May 2011, the NISL/US Club U20 division provides top level competition for college-bound, collegiate, and other high-level youth players throughout the region.

General Information – U20 Division

- Age: U20 with four overage players on game-day roster
- Gender: Men or Women
- Time Frame: May 15th through July 31st. This summer timeframe coincides with the collegiate off-season and allows players to prepare for the return to pre-season, offering continued development opportunities during the summer. For non-college players, eventual plans can now include year-round play.
- Structure: Summer season includes 8-10 regular season games. Teams are able to play locally only.
- Cost: Specific fee will be determined at a later date, but will include a) player registration, b) insurance, and c) League and Referee fees
- There is no entrance or franchise fee
